

Remarks

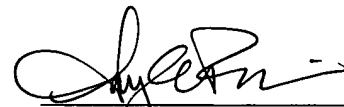

The title of the invention (as set forth in the published International application, i.e. WO 2005/037264) has been changed to be consistent with that set forth on page 1 of the present specification, and in the executed Declaration and Power of Attorney form (and executed Assignment form) submitted concurrently herewith.

The multiple dependent claims have been amended to depend from only a single preceding claim, in order to reduce the filing fee. New claim 9 has been added to the application, and is the same as claim 3 except that it is dependent on claim 2.

Respectfully submitted,

Hideakira YOKOYAMA et al.
